- 8:00 pm** Volker Schädlich: " Frailea locations in Argentina, Bolivia, Paraguay and Mato Grosso de Sul in terms of habitat and culture "
- from 9:30 pm** Cosy evening with food and beverages in the Botanical Garden

Registration:

As the number of participants is limited due to the size of the seminar room in the Botanical Garden, please proceed as follows:

1. Send an informal registration to our secretary Ulf Marx: ulf.marx@gmx.at
2. Registrations will be processed quickly in the order in which they are received, and you will receive a confirmation or, if there are no more places available, unfortunately a negative reply by e-mail.
3. As soon as you have been accepted and need accommodation, we recommend the Jugendgästehaus Linz, Stanglhofweg 3, which is only a few minutes' walk from the Botanical Garden. The single room with breakfast costs € 43/night/person. Please mention "Kaktustagung" when booking, as we have reserved a certain number of rooms. Parking spaces are available directly in front of the youth hostel. Contact: e-mail: Linz@myhostel.at, Tel. 0043 732664434.
4. Please note the current corona rules in Austria in April 2022. As we are holding our conference in a public building, we ask all participants to send their contact details (home address and telephone number) to us (ulf.marx@gmx.at), which we must forward to the health authorities in the event of a covid case. The addresses will of course not be passed on to third parties and will only be used for contact tracing. Please carry a 2G certificate (vaccinated or recovered) with you. As in the previous year, we try our best to offer all participants a safe environment at our
